The North American Mission Board exists to work with churches, associations and state conventions in mobilizing Southern Baptists as a missional force to impact North America with the gospel of Jesus Christ through evangelism and church planting. We accomplish that through Send North America, our national strategy for mobilizing churches to plant churches and mobilizing church planters and other missionaries to assist with those efforts. Through Send Relief, the North American Mission Board is assisting churches in reaching people in need with practical help and the hope of the gospel.

For 85 of its 100 years, Christar has been engaging individuals and churches throughout the U.S. to send workers to plant churches around the world. Our mission, vision, core values and approach to ministry form a strong foundation to take the transformative message of Christ into communities where He is yet to be worshiped. Christar seeks to minister to the least-reached Buddhists, Hindus and Muslims.

Little Lambs, Inc

At Little Lambs Inc., we see men and women in prison cells as the lost lambs whom Jesus leaves the flock to search for. Our vision is to lead these damaged and lost to a new and better life through salvation, repentance, and mentoring. Through our Little Lambs School of the Bible Disciple Training Course we teach the Word and Principles of God.

PIONEERS

Pioneers empowers gospel-driven Christians to go to the ends of the earth together in relentless pursuit of the unreached. We believe that Christ commanded the Church to go into all the world and make disciples of all peoples, baptizing them in the name of the Father, Son, and Holy Spirit, and teaching those who believe to obey all that Christ commanded.

Benjamin House exists to provide donors, churches, and other groups an avenue to inspire hope across Uganda through the Gospel of Jesus Christ by transforming the lives of orphans and vulnerable children, preparing them for their futures, and building up the next generation of leaders.

abwe

We are a family of more than 450 like-minded churches and more than four thousand supporting churches, all united in a single focus: to see churches established, multiplied, and strengthened among every nation and people group for the fame of Jesus Christ. Every ABWE ministry is driven by this conviction that the church is at the heart of God's mission.

We labor to help sending churches identify, prepare, and commission qualified workers ([Acts 13:1-3](#)) and to see indigenous elders raised up to shepherd their flocks ([Titus 1:5](#)). Our aim is self-supporting, self-governing, self-propagating churches that also join the mission beyond their own peoples ([Rev. 7:9](#)).
