

PROJECT PURPOSE

God has chosen to bless Bible Fellowship Church with tremendous growth. This has happened on Sunday mornings, but it is especially apparent on Wednesday nights. Both youth and children's ministries are maxing out the space currently on the church property. This has led the leadership of Bible Fellowship Church to embark on the Generations Together campaign.

Phase one of Generations Together is to build a Wednesday night facility that will remove the restraints on our mid-week ministry. This would include a youth and children's area, each with a common area and individual classrooms for small group discussion time. Also included will be a pavilion for outdoor activities and a playground for children. Adding these spaces would allow for continued growth in youth and children, but also create ministry space for the parents of these young people, as well as other adult ministries during that time.

Subsequent phases of Generations Together would see Bible Fellowship building a larger auditorium for Wednesday and Sunday services, as well as a larger worship center, adult classroom space, and offices for future growth. Also in view are outdoor sports fields and recreational areas. The community around this property would also benefit from use of the space throughout the week for meetings, gatherings, sports leagues and more. The goal of this campaign is to reach all generations in Highlands County with the good news of Jesus through this new facility.

Let this be recorded for a generation to come,
so that a people yet to be created may praise the Lord:

-Psalm 102:18 ESV

Dear Church Family,

It's an exciting time to be a part of Bible Fellowship! I believe, as I hope you do, that the ministries of our church are a blessing to our church body and families in the community. God continues to bless us as we grow. Yet with this growth comes a challenge. Since our current monthly income is used for our operating budget, we must now focus on a solution to move forward where God is leading.

We have chosen the Generations Together theme for our upcoming stewardship campaign. We believe that with God's guidance, we can fulfill the financial needs for the ministry space. As we seek to reach all generations with the gospel, every household will be asked to prayerfully consider making a sacrificial commitment to be given over the next three years. We plan to raise the necessary funds to move forward and your involvement in our Generations Together campaign is vital!

Make plans to join me on Sunday, the 8th of January. During each service you'll learn about Generations Together and the importance of church-wide prayer as we move forward. No financial commitments will be asked for or received on this day.

I look forward to seeing you on January 8th!

In His Name,

Pastor Todd
